To the company of  
Roof Pro's Inc.

I'm writing to you today to let you know how impressed I was with your company, Roof Pro's. But more impressed with the Project Manager, Curt Massey, and his assistant, Tina Lamore. They we're recommended to me by a neighbor down the street that had them do their roofs. After seeing the wonderful job they did down there I decided to hire them for my Property. They did my house as well as my garage.

Both Curt and Tina took the time to explain everything to me from cost, materials, and the time frame of the job.

They we're both very polite, down to earth and very professional people. They we're wonderful on ordering the materials, getting the crew there in a timely manner, and doing the job in a fast accurate timeframe. They thought of everything even took the time after the crew was done to make sure everything was picked up and done right to my satisfaction. Had No complaints what so ever and was so impressed that I gave their number to my co-workers, and my next door neighbor even came over to talk with Curt, about her roof. You have a wonderful crew working for your company and hopefully I will see more of their work done in my surrounding neighborhoods.

Thank you,
