To Whom It May Concern:
Re: Rof Pros

Roof Pro's installed new roofs at our properties located at 2133 and 2141 Boston Road Wilbraham, Ma. 01095. The work was done very professionally and in a timely manner. The crew was very respectful of all of our tenants and scheduled the installs to best work with everyone in the plaza. The roofs look great and we were very pleased.

Sincerely,
